ICGES 2020

2020 International Conference on Geology and Earth Sciences
July 24-26, 2020 | Singapore

2020 International Conference on Geology and Earth Sciences (ICGES 2020) will be held on July 24-26, 2020 in Singapore. ICGES aims to promote research in the field of Geology, Meteorology and Climatology, Carbon sequestration and Structural geology, and facilitate the exchange of new ideas in these fields among academicians, engineers, scientists and practitioners. It includes plenary, keynote & invited speeches, oral presentations & poster sessions on different topics.

★ Focus and Scope

- Geology
- Geomorphology
- Geochemistry
- Geophysics
- Geotechnics
- Hydrology
- Meteorology and Climatology
- Carbon sequestration
- Mining and mineralogy
- Palaeontology
- Petrology
- Remote sensing and GIS
- Sedimentology
- Seismology
- Soil science
- Stratigraphy
- Structural geology
- Rock mechanics

★ Main Conference Committee Members

Conference Committee Chairs
